KNOCKNINNY SUNDAY NEWSLETTER

26th January 2020

The Third Sunday in Ordinary Time

Jesus Begins His Ministry in Galilee

In today's Gospel we hear that Jesus withdrew to Galilee and made his home in Capernaum by the lake. Anyone who has been to the Holy Land will have visited Capernaum and will know that it is a beautiful place. In Jesus' time this was a thriving fishing town.

To '*repent*' literally means 'to turn around'. We are called to transformation, to turn away from what is not life giving and embrace a full life.

Its hard to imagine behaving in the same way as Simon Peter and Andrew, leaving everything behind them and following Jesus. There must have been something very attractive about Jesus. The account in Matthew is quite short but one wonders if they had heard him speak many times before this moment. It takes courage to drop everything and follow something new. Obviously, they were ready for it, it was the right moment and their hearts said 'Yes!'

These accounts are the beginning of Jesus' public ministry. Today perhaps you can reflect on moments you were called to something new and even though it meant leaving something behind, you knew it was the right choice. You were at peace with your decision despite the challenges it might bring. This process never ends, we are constantly called to 'repent', renew, rediscover, seek out.

Catholic Schools Week 2020 Sunday 26 January – Sunday 1 February Theme 'Catholic Schools: Living in Harmony with God's Creation'.

During Catholic Schools Week families, parishes and schools, North and South, are invited to participate in a week of celebration of Catholic schools and on their contribution to the common good of our society.

The theme for Catholic Schools Week this year encourages us to see that we all have a responsibility to care for the earth, not just for our own future, but for the future of every one of God's creatures. "In *Laudato Si'* Pope Francis has very clearly delivered the message to people all over the world about the need for all of us to care for our common home. Pope Francis challenges us to look at our lifestyles. He asks for justice and equality, as it is clear that climate change is creating a huge amount of suffering and impacting the poorest of the poor in our world; the very people who did least to cause this situation.

On each of the five school days of CSW2020 there will be an audio thought for the day made available on www.catholicbishops.ie. Kate Liffey, will voice each of the five audio pieces and expand on each of the daily themes for CSW2020 which are:

- Monday: Living in Harmony with God
- Tuesday: Living in Harmony with our Neighbours
- Wednesday: Living in Harmony with all Generations
- Thursday: Living in Harmony with the Earth

- Friday: Living in Harmony in our Catholic School
