KNOCKNINNY SUNDAY NEWSLETTER

2nd February 2020

The Presentation of the Lord
World Day for Consecrated Life

Unexpected moments: It was an important day for this little family, when Mary and Joseph brought Jesus to the Temple in Jerusalem. Did they expect everything to go smoothly, or had they already had to let go of some of their dreams and plans? After all, the story of Jesus' birth had already been unusual, not to mention the shepherds turning up to visit the newborn Messiah. Still, they could not have expected two elderly people to suddenly appear in the Temple with a message about their child – that he was going to do great things but also would be rejected and cause great pain to his mother. Was it at this moment that they realised life would never be the same again?

The most important messages can come from unexpected sources. Anna and Simeon were advanced in years, wise and devout people who had lived well, and still hoped and trusted in God's plan. This encounter was unexpected for them too, taking place close to the end of their lives; but they were ready, willing and able to recognise its significance. Their call was to be among the first people to encounter the Messiah and to share the Good News. What is our call? The story of Anna and Simeon shows us the value of being open to an encounter with Jesus. Despite what we have been through, or what stage we are at in life, there are good things to come. Each of us has something unique to offer. We pray that we will recognise the unexpected opportunities to encounter God that come our way.
