KNOCKNINNY SUNDAY NEWSLETTER

8th March 2020

The Second Sunday of Lent

. 'Listen to him'

On this second Sunday of Lent, we hear the story of the Transfiguration. It is an account of a significant spiritual experience for the disciples. We can recall in our own lives times when we received a new spiritual insight, moments when we came to know Jesus in a more profound way. These moments change us, they are powerful and can sustain us in difficult times.

During Lent we are invited into a new way of seeing. As our world faces enormous environmental challenges, faith communities have a huge role to play in protecting God's creation for generations to come. The roots of the environmental crisis are deeply spiritual, for we have become disconnected from nature and forgotten how deeply interconnected everything is. This calls for a deep conversion, a reconnection; to be filled again with a childlike sense of awe and wonder where our relationship with the natural world is concerned. This Lent, let us spend more time in nature, being aware of God's presence in every created thing. Let us stand awestruck before the beauty of the world.

'The entire material universe speaks of God's love ... Soil, water, mountains: everything is a caress of God ... From panoramic vistas to the tiniest living form, nature is a constant source of wonder and awe. It is also a continuing revelation of the divine. Alongside revelation in sacred Scripture, there is a divine manifestation in the blaze of the sun and the fall of night'.

(Laudato Si, 84-85) *Jane Mellett*

Trocaire

Lent 2020 invites us to spiritual renewal in support of our vulnerable sisters and brothers around the world.

Lent is extremely important time of year for Trocaire. Trocaire relies heavily on the income that comes in during Lent, through the generosity of schools and parishes, in order to fund the work. The support received during Lent enables Trocaire to help the most vulnerable people in the developing world. The work is guided by the values and ethos of Catholic Social Teaching.
