Pope Francis speaking on the Gospel: At the beginning of Mass, every time, we are called before the Lord to recognize that we are sinners, expressing through words and gestures sincere repentance of the heart. And we say: "Have mercy on me, Lord. I am a sinner! I confess to Almighty God my sins". And we don't say: "Lord, have mercy on this man who is beside me, or this woman, who are sinners". No! "Have mercy on me!". **We are all sinners and in need of the Lord's forgiveness.** It is the Holy Spirit who speaks to our spirit and makes us recognize our faults in light of the Word of Jesus. And Jesus himself invites us all, saints and sinners, to his table, gathering us from the crossroads, from diverse situations of life (cf. Mt 22:9-10). **And among the conditions in common among those participating in the Eucharistic celebration, two are fundamental in order to go to Mass correctly: we are all sinners and God grants his mercy to all.** These are the two conditions which open wide the doors that we might enter Mass properly. We must always remember this before addressing a brother in brotherly correction.

Let us ask all this through the intercession of the Blessed Virgin Mary, whose Nativity we will celebrate in tomorrow's liturgy.

KNOCKNINNY SUNDAY NEWSLETTER
6th September 2020
Twenty-Third Sunday in Ordinary Time

Pope designates Sept. as World Month of Prayer for Care of Creation

Pope Francis prayer intention for September, which month is for respect for the planet's resources: that "take care of Creation responsibly".

In his prayer intention for September 2020, Pope asks everyone to pray that we learn to respect the planet's resources

We are squeezing out the planet's goods. Squeezing them out, as if the earth were an orange.

Countries and businesses from the global north have enriched themselves by exploiting the natural resources of the south, creating an "ecological debt." Who is going to pay this debt?

In addition, this "ecological debt" is increased when multinationals do abroad what they would never be allowed to do in their own countries. It's outrageous.

Today, not tomorrow; today, we have to take care of Creation responsibly.

Let us pray that the planet's resources will not be plundered, but shared in a just and respectful manner. No to plundering; yes to sharing.

Each year, the World Month of Prayer for the Care of Creation is observed from September 1. The international celebration marks the beginning of the Season of Creation, which extends to 4 October, the feast of St Francis of Assisi, the patron saint of ecology.

Prayer for Our Earth

**All powerful God, you are present in the whole universe
and in the smallest of your creatures.**

You embrace with your tenderness all that exists.

Pour out upon us the power of your love, that we may protect life and beauty.

Fill us with peace, that we may live as brothers and sisters, harming no one.

**O God of the poor, help us to rescue the abandoned and
forgotten of this earth, so precious in your eyes.**

**Bring healing to our lives, that we may protect the world and not prey on it,
that we may sow beauty, not pollution and destruction.**

**Touch the hearts of those who look only for gain at the expense of the poor and the
earth.**

Teach us to discover the worth of each thing, to be filled with awe and contemplation,

to recognize that we are profoundly united with every creature as we journey towards
your infinite light

We thank you for being with us each day. Encourage us, we pray, in our struggle
for justice, love and peace. (Pope Francis, *Laudato Si*)

**Prayer of
Saint John Henry Newman**

May the Lord support us all the day
long,

Til the shades lengthen and the
evening comes,
and the busy world is hushed,
and the fever of life is over,
and our work is done.

Then in his mercy
may he give us a safe lodging,
and holy rest,
and peace at the last.

AMEN
