However it is still strongly advised."*

People entering and leaving the church MUST continue to wear face coverings. While the wearing of face coverings during the Mass is no longer a legal requirement, Fr Alwill strongly advises that people should, in the interests of health and safety, continue to wear masks throughout the Mass.

Naturally, the coverings may be briefly removed in order to receive Holy Communion.

**KNOCKNINNY SUNDAY NEWSLETTER**  
**8<sup>th</sup> August 2021**  
**Nineteenth Sunday in Ordinary Time**

**Uphill struggle**

Have you ever felt like giving up? Elijah certainly did. In today's first reading we meet a prophet who has had enough. He is fleeing from trouble and things seem so hopeless after a day's journey that he sits under a bush and begs God to take his life. Life has a way of getting on top of us, such as when we are grieving a loss, when we are hurt by a friend, when illness strikes, or when we are simply exhausted. We experience the feelings described in the famous anonymous poem *Don't Quit*: 'When things go wrong as they sometimes will/ When the road you're trudging seems all uphill...'

At these times of struggle it is helpful to pause and to refuel for the journey. Elijah was visited by an angel who offered him comfort and respite, giving him the strength he needed to carry on. In today's Gospel, we hear Jesus again say he is the living bread. Some people have been complaining about his teaching. Surely this is the son of Joseph, they say, demonstrating their lack of understanding of who Jesus really is. Again, he explains that he is the bread of life - more than physical food, more than an ordinary man, he is the living bread and he is God. In all our struggles, especially when we feel like giving up, Jesus offers us nourishment for the journey. This gift is there for us especially in the Eucharist, offering comfort and strength. 'The Eucharist, although it is the fullness of sacramental life, is not a prize for the perfect but a powerful medicine and nourishment for the weak.' (Pope Francis, *Evangelii Gaudium*)

**Don't Quit**

When things go wrong, as they sometimes will,  
When the road you're trudging seems all uphill,  
When the funds are low and the debts are high,  
And you want to smile, but you have to sigh,  
When care is pressing you down a bit,  
Rest, if you must, but don't you quit.  
Life is queer with its twists and turns,  
As every one of us sometimes learns,  
And many a failure turns about,  
When he might have won had he stuck it out;  
Don't give up though the pace seems slow—  
You may succeed with another blow.
