KNOCKNINNY PARISH NEWSLETTER

1st May 2022

Third Sunday of Easter

May is the month of Mary

Here in Ireland the devotion to Mary is particularly strong. Many would credit the apparition at Knock to the great devotion the Irish people had to Mary prior to its occurrence, which began in Ireland in the 8th Century. In Knock in 1879 Our Lady appeared in an apparition lasting for several hours, witnessed by 15 people. The Blessed Virgin, St Joseph, St John the Evangelist and an altar with a lamb surrounded by angels appeared and hundreds of cures and miracles were credited to Our Lady after the apparition.

Traditionally May is the month for many Marian devotions around the world. A flourishing of Marian devotions began around the time of the crusades when Christianity was threatened. It was in 1965 that Pope Paul VI identified May as a good time to incorporate special prayers for peace. Mary is a timeless role model. The Blessed Virgin Mary transcends all time and cultures. She is the perfected human being. Women of all ages can see what it means to be a woman in communion with Christ. She said 'yes' to what God called her to do - Wendy Grace.

Pope Francis' Monthly Intention

We pray for all young people called to live life to the fullest; may they see in Mary's life the way to listen, the depth of discernment, the courage that faith generates, and the dedication to service.
