The Ascension of the Lord

World Communications Day

Pope Francis has chosen the single word, "Listen!" as the theme for the 56th World Communications

"Pope Francis is asking the world to listen again."

The pandemic has affected and wounded everyone, and everyone needs to be heard and comforted. Listening is also fundamental for good information. The search for truth begins with listening. And so does witnessing through the means of social communication. Every dialogue, every relationship begins with listening.

A Social Media Prayer

Lord,

Bless all bloggers

Inspire all Instagrammers

Bring wisdom and hope to all on WhatsApp

May Faith shine through on Facebook

May all tweeters be temperate in tone

May the spirit be within those who Snapchat and Skype

Give grace to all on Microsoft teams

May those on Pinterest always be able to picture you

Watch over all those on TikTok.

Grace all digital missionaries with

Wisdom, courage,

Understanding, love

And trust in you.

Amen
