Our Lord Jesus Christ, King of the Universe

The **Solemnity of Our Lord Jesus Christ, King of the Universe**, formerly referred to as "Christ the King," was established by Pope Pius XI in 1925 as an antidote to secularism, a way of life which leaves God out of man's thinking and living and organizes his life as if God did not exist. The feast is intended to proclaim in a striking and effective manner Christ's royalty over individuals, families, society, governments, and nations.

Christ the great king was known in Ireland from ancient times as King of the Universe and King of Nature: Ri na n-Uile and Ri na nDul
He is all powerful, gentle and true. He is the force by which we act when we are loving and ourselves. His presence in politics is wise beneficent kind and liberating.

RIALAIŞH MO CHROISE A CHRUTHAITHEOIR DIAN.
TAOISE SOCAIR NEAMHTAOMNACH NI HIONANN IS ME.
Rule my heart great creator. You are constant, dispassionate and true.

Fr. Anthony Keane OSB
