## **A spark of faith**

There is a great image of hope in today's Gospel. The mustard seed  
brings to mind something that is tiny, weak and insignificant. But  
Jesus says that if our faith is even the size of a mustard seed, we are  
capable of great things! God grows strength out of weakness. Once  
we have a small spark of faith in our hearts, it can grow into  
something strong. If we nourish it, turn to God more often, make  
space for him in our daily routine, wonderful things will follow.

Find that spark, and let it shine!
