Twenty Eighth Sunday in Ordinary Time

How grateful to God are you?

Reflect upon these simple questions:

Do I see all God has done for me?

Do I see His abundance of mercy alive in my life?

Today's Gospel passage above reveals that Jesus healed ten lepers, but only one of the ten returned in gratitude. Are you like one of the nine who failed in gratitude?

Gratitude is a special gift given to us by God. Gratitude is fundamentally about not taking things for granted. It is being thankful for what we have and receive. Thankfulness is a powerful means of drawing near to God.

As we look back and reflect on our accomplishments and make plans for the future it is important to remain thankful to God for what He has done in our lives.

Lord, please do fill my heart with an abundance of gratitude. Help me to turn my eyes to Your infinite grace and mercy. Help me to see beyond the struggles of life and the burdens that get me down. In place of these, help me to become increasingly aware of all You have done for me and all that You continue to do. Jesus, I trust in You.
