Mary, The Holy Mother of God

Today on the feast of the Holy Mother of God we see Mary treasuring the events of Christmas in her memory, and pondering them in her heart. The image is that of the contemplative woman who ponders the marvels the Almighty has done for her and for all people. Those, humble shepherds had preached the gospel to her, repeating what had been told to them by the angels, "Today in the town of David, a Saviour has been born to you; he is Christ the Lord."

The same gospel has been preached to us, and we are invited to ponder on it and to respond to it, as Mary did. Today, **New Year's day**, is a day when many feel drawn to make good resolutions. What better new year's resolution could we make today than that of adopting Mary's stance before the grace of God? As we look towards the new year, we ask Mary to help us to treasure the gospel as she did.

A Prayer for the New Year

May God make our year a happy one,
By Strengthening us to bear it, as it comes;
By making us sturdy to travel any path;
By taking fear from our heart;
By keeping our face bright, even in the shadows;
By showing us when people need us most,
And by making us anxious to be there to help.
God's love, peace, hope & joy to us for the year ahead. Amen.
