The proposal for a universal day of prayer was initially made in 2016 to the Vatican's Pontifical Commission for the Protection of Minors (PCPM) by a survivor of clerical abuse. At the time a press release from the Commission stated, "In the experience of our members, victims/survivors have often expressed a desire for prayer as an important element in their healing process." In response Pope Francis invited bishops around the world to establish a special day of prayer in the Church year to support the paths of human and spiritual recovery. This day is not only for victims and survivors, who have been so severely injured, either inside or outside the Church, but also for families and communities affected by grief for their loved ones.

CANDLE OF ATONEMENT

Lord, forgive us our many sins.
We grieve and repent with all our hearts
for having offended you, for our great failings
and neglect of the young and vulnerable.
We place all of those who have been hurt
by the Church in any way into your loving hands
and under the protection of Our Blessed Mother.
Lord, bring peace to their broken lives
and show us all the way out of darkness
and into the light of your Word.
May we as the people of God
be more fully human,
more fully Christ-like
and more fully your people,
that we may see the errors of the past
and go forward
with renewed hope and faith
in Christ and in our Church.
Amen.
