Twentieth Sunday in Ordinary Time

20th August 2023

As much as some people may not want to admit it, we all want to be healed. Human beings suffer physically, mentally, socially, and spiritually. There are many wounds. Of all of the illnesses that can afflict us, the ones that require the greatest attention are of a spiritual nature. What can happen if we are healed inwardly, and restored in our relationships, especially in our relationship with God? We will find the courage, strength, conviction, and hope needed to deal with the more tangible struggles that may not find an easy remedy. Inner strength, gained by persistent faith, is what allows strong, determined, and courageous people to overcome incredible challenges and hurdles. Be persistent in your faith, and seek the inner spiritual healing that you so desperately desire and need.

Prayer

God of all the nations, to Your table all are invited and in Your family no one is a stranger. Satisfy the hunger of those gathered in this house of prayer. Mercifully extend to all the peoples in the world the joy of Your love, the joy of salvation and the joy of the faith that Jesus gives each and every one of us when we say: "Hallowed be Thy name."
