This is a 10-month community initiative, bringing people together each month with another local group for friendship, conversation and a shared lunch. Each session will have a different theme and focus, with hopefully a guest speaker, followed by a delicious lunch and plenty of time to chat and get to know one another. Our aim is simple — to reduce isolation, make new connections, meet new people and reconnect with people we may have known in the past.

 A chance to get out and about  Meet new friends  Build connections  Enjoy interesting speakers and topics
 And, of course, enjoy lunch together!
